Inbank *pay later* solutions

Inbank *pay later* solutions add flexible payment options to your online store increasing the number of purchases and satisfied customers.

Inbank *split into parts*

- Allows the customer to pay for the purchase in three equal instalments without any additional expenses.
- Allows the customer to start paying the next month, since the first payment is due only after a month.
- Valid for purchases between 75 and 2500€.

Using Inbank payment solution is simple!

Inbank creates digital financial products that naturally merge financing and payments with shopping, allowing people to improve quality of life. We offer customers financing exactly where they need it: in stores, online stores and on online platforms. Today Inbank has over 5,400 partners and more than 872,000 active customer agreements in five countries: Estonia, Latvia, Lithuania, Poland, and the Czech Republic.

Offer your customers a flexible alternative with many added benefits to help increase your sales. If you have any questions, please contact Inbank partner support at partner@inbank.ee or call +372 640 8085.
